Roosevelt Contrasts Debt With Increase in Income

22 Billions Gain in Business Cited as Against Deficit of Eight Billions.

By The Associated Press

ABOARD ROOSEVELT TRAIN EN ROUTE TO OMAHA Oct 10—President Roosevelt told a large depot crowd at Creston Iowa today that much was being said about the federal budget by people who had never read one He added he had had occasion to study the budget which was as large as a Sears Roebuck catalogue

Tracing a course through southwest Iowa en route to Nebraska for afternoon and night speeches at Lincoln and Omaha the President was greeted by groups and bands all along the route The crowds appeared at Osceola and Afton before he finished breakfast and no platform appearances were made at these points

Looks Crowd Over

At Creston the President went out and surveyed what he termed a grand crowd and then turned to the budget purchasing power and deficits

He said the new deal had incurred a deficit of less than eight billion dollars but at the same time through efforts to increase purchasing power had boosted national income by more than 22 billions since 1933

At Omaha the chief executive will deliver an address on agriculture at 8 p m central time 9 p m Marion time tonight at the den of Ak Sar Ben a civic organization that gets its name by spelling Nebraska in reverse

It will be the first nationally broadcast speech on his 5 000 mile western stumping tour

En route to Lincoln the special was to pick up at Afton Ia Sen Norris of Nebraska, Republican independent supporter of the new deal

Addressing a huge outdoor crowd from the steps of the Minnesota state capitol last night the President declared trade meant commerce flowing in two directions Col Joe Nelson of the Minnesota national guard estimated 30 000 persons heard the President.

It is not a one way street the President said adding every American ought to remember the home truth that when America and other nations jacked up their tariffs and imposed embargoes and import quotas farm prices throughout the world dropped to their lowest and world trade almost ceased to exist

Lauds Trade Treaties

Without referring to the recent speech at Minneapolis of his Republican opponent Gov Alf M Landon criticizing the reciprocal trade agreements he went on to say that mutual advantage has been the successful objective of the international pacts

Exports during the first half of this year he added increased by $132 000 000 compared with the same period in 1935 with those to Canada of both manufactured and farm commodities jumping $24 000 000

American industry and American agriculture are both bene

CANDIDATES HIT OPPONENTS AT G. O. P. MEETING

Bricker Charges Davey Builds Huge Slush Fund from State Business

LARGE CROWD HEARS TALK

Mouser Renews Attack on Fletcher and Replies to Pension Statement

John W Bricker Republican nominee for governor and Grant E Mouser Jr party candidate for Eighth district congressman flayed their respective opponents in talks before a crowd of approximately 1 000 persons last night at the Central Junior High school It was the first major Republican rally of the current campaign in Marion county

Bricker's attack on Governor Davey centered around charges of extravagance and the slush fund the administration allegedly has built up to finance its campaign indirectly at the expense of the taxpayers

Mouser's criticism of Congressman Brooks Fletcher included a renewal of the assertions that Fletcher is misusing his congressional franking privilege by sending out campaign material and that Mrs Fletcher has drawn $7 408 from the federal government in salary while her husband was congressman

The meeting was in charge of Clarence Price member of the Republican central and executive committees of the county and was attended by delegations of Republicans from throughout the district Among the candidates introduced were H Earl Griffith of Mt Gilead candidate for secretary of state Judge Roy Williams of the Ohio supreme court George S Middleton of Logan county candidate for Third district court of appeals and David A Liggett candidate for state senator Miss Gertrude Jones of Findlay Eighth district member of the Republican state central committee also was introduced The Young Republican Glee club sang a group of numbers and solos were sung by Denver Stevens colored of Mt Vernon accompanied by Mrs James Dennis of Marion

Speak at Upper Sandusky

Bricker and Mouser came to Marion from Upper Sandusky where they spoke yesterday afternoon to a crowd of approximately 1 800 persons despite a drizzling rain

Mr Bricker now Ohio's attorney general attacked the Davey administration centering his criticism on assertions that we've seen nineteen and one half million dollars more spent in state government last year than in the last year of Governor White's administration and contending that Davey has built up an immense slush fund of between one-quarter and one half million dollars for campaign purposes

If it costs that much I'll never be governor and I don't want to be he declared He asserted much of this huge fund had come from contractors and others doing business with the state being required to turn over a 10 per cent gift to the Davey campaign leaders before they could do business with the state

He charged hundreds of thousands of campaign letters are being mailed out by persons in the employ of the state

Cites High Road Cost

As a sample of the administration's spending he asserted he traveled over two miles of ordinary roads in Hardin county noting fancy which cost $85 000 to build He declared Ohio was fourth last year among the nation's states in the amount of money available for new roads but that the state ranked twenty fourth in the mileage of new roads actually built

If I'm elected governor contracts will be let honestly to the lowest and best bidder and it won't be necessary to hold a political conference in order to get a civil service job he said

Bricker declared he has operated the attorney general's office economically and promised to carry his economy program into every branch of the state government if elected.

Mr Mouser in addition to his criticisms of Congressman Fletcher, also answered Fletcher's recent as-

JUDGE H. S. YOUNG IN IMPROVED CONDITION

The condition of Common Pleas Judge Hector S Young seemed improved today, the City hospital reported at noon He rested fairly well last night. He suffered a gastric hemorrhage Thursday

According to the attending physician, unless there is a second hemorrhage and with proper rest and quiet, he should be able to return to his office in a week or 10 days. Visitors will not be admitted to his room over the weekend.

200 Marion Girl Scouts Stage Unique Campaign

Barbara Newell left and Barbara Gottschall in the center smiled happily when they took one of the first orders for the Girl Scout cooky sale from C A Hudson superintendent of public schools Supt Hudson and the two girls both members of Troop 8 of the First Presbyterian church were photographed on the steps of the school administration building on South Prospect street **Barbara Newell is the daughter of Mr and Mrs Jas Newell of 630 Forest street, and Barbara Gottschall is the daughter of Mr and Mrs Roy W Gottschall of 210 Summit street Both girls are pupils of the Vernon Heights Junior High school**

Cooky Sale Drive in Full Force To Raise Funds for Troops

ONE of the city's most unique money raising means a cooky sale drive is under way with more than 200 Girl Scouts participating

The sale will be the organization's only project to raise money this year with the exception of participating in the annual Boy Scout fund campaign from which only a minor portion is taken for the girls

This week a small army of the girls most of them in their trim gray green uniforms started out to sell cookies—butterscotch and sugar—at 15 cents a dozen and on Monday the real drive will start

Marion bakeries are cooperating with the Girl Scouts in staging their unusual campaign by giving a generous share of the price of each dozen sold

From now until Oct 23 the girls will be taking orders and on Saturday morning Oct 24 the dozens and dozens of cookies will be delivered

The Girl Scout organization is prohibited by its national constitution from making house to house canvasses for any purpose so the success of the cooky sale will depend on the response of friends when they are approached to buy

Mrs Clifford M Howser of 346 Lafayette street is the cooky sale chairman and it is at her home that the job of sacking the cookies will be done on the eve of the day of delivery

The Girl Scout council of which Mrs Elmer Smith of 587 Miami street is commissioner is backing the project 100 per cent Women of the council are encouraging the girls to their best efforts as saleswomen and will take an active part in the cooky sacking

The cooky sale is being staged preliminary to the opening of National Girl Scout week on Sunday, Oct 25

Court Sale of Loan Co. Assets Delayed a Week

Postponement Necessary in Order To Revise Advertised List

Sale of the remaining assets of the Citizens Building & Loan Co set by Common Pleas Judge Hector S Young for 10 a m today was continued until next Saturday pending preparation of a new list of assets in which the real estate and mortgages will be more accurately defined for the bidders

Fred Warner attorney for the receiver of the company was designated by Judge Young now ill at City hospital to direct the sale of the $326,323 78 in assets which are to be sold in bulk to the highest bidder

A question arose as soon as the sale was called to order in common pleas court room as to whether or not approximately $97 000 in real estate and loans for which the receiver has applied for permission to sell since the original list was drawn up are still held as assets of the company These had been deducted from the original $326 323 78 list and were not among the assets offered for sale today The bidders asserted that as long as the sale of these assets had not been completed and the deeds delivered to the prospective buyers the company still holds title to them and they must be offered for sale

Mr Warner and C D Schaffner, receiver for the company decided that all such pending deals would be called off and the real estate and mortgages involved would be placed on the list of assets for next Saturday They informed bidders that the books of the company which were closed to all transactions last night, would remain closed until Saturday and that no payments would be accepted on active loans

A new list of the remaining assets which will include all these contained in the $97 000 will be prepared for the bidders, M L Wilson of the company said, and the bids will be made on that list.

The question of whether or not

BULLETIN

By The Associated Press

COLUMBUS O Oct 10—The special train of Gov Alf M Landon bringing the Republican presidential candidate here to see the Ohio State-Pittsburgh football game arrived in Columbus at 1 25 p m today

* * *

By The Associated Press

ABOARD LANDON SPECIAL EN ROUTE TO COLUMBUS O Oct 10 Campaigning through southern Ohio today Gov Alf M Landon accused the new deal of trying to intimidate voters on relief spreading vicious misrepresentation and striving to give the impression that I have dodged issues in this campaign

The Republican presidential nominee summoned Buckeye state voters to take active part in the battle of our century between the American system of government and one alien to previous history

Landon's invasion of Ohio came following his last night's address in Chicago where he attacked the Roosevelt administration on grounds of excessive expenditures and promised if elected to balance the budget

Liquor Up to States

In speeches along the route of his sunflower special en route to Columbus Landon reiterated a view that it is up to each state to determine its own policy on liquor

Prohibition he said was the granddaddy of all the red herrings in the present campaign

Launching his Ohio campaign at a breakfast rally of Cincinnati party workers Landon asked Can this new deal machine which under the cloak of idealism is operating strictly on the old spoils system be beaten

A shout of yes went up from his listeners

I say it can Landon added

He spoke three times in Cincinnati and planned a series of five more before reaching Columbus where he expected to view the Ohio State-Pitt football game this afternoon and to rest tomorrow

Picks Bricker To Win

At Hamilton before a crowd estimated at 1000 to 4000 by Herschel Haines assistant police chief Landon forecast the election of John W Bricker as governor who introduced him as the next President

At Middletown Police Officer John Fitzgerald estimated the crowd at 5,000

Today Monday and Tuesday with a Sunday interval in Columbus Landon was scheduled to make numerous rear platform talks in the Buckeye state with the high point a major speech at Cleveland Monday night

Asking his rear platform audience if this were not the most cockeyed campaign you ever saw the governor predicted this will go down in history as the red herring campaign

Raps New Deal "Herrings"

In referring to prohibition he said the new deal had called attention to red herrings in a not too successful effort to draw attention away from the herrings of their own spawning

Landon told the party rally in Cincinnati the 1936 presidential contest was the battle of our century and that new deal procedure has violated the fundamental prin

End Waste, Balance Books, Landon Tells Chicagoans

By The Associated Press

CHICAGO, Oct. 10—Gov Alf M Landon opened his lake states campaign in Chicago last night with a demand that voters "must put the spenders out" and a pledge to balance the federal budget within four years if elected He proposed to do this by eliminating "wholesale waste and extravagance" and by "efficient administration.

Directly quoting Franklin D. Roosevelt seven times, Landon cited the words of Candidate Roosevelt at Pittsburgh four years ago as reasons "why balancing the budget is of vital importance" and asserted the new deal's fiscal policies "will wreck the government."

Landon's Chicago speech was delivered to a capacity audience in the huge Chicago stadium seating 26 000 Made from the same platform on which President Roosevelt accepted the Democratic nomination in 1932 the address marked the opening of the candidate's eight-day campaign through Illinois, Ohio, Michigan and Indiana whose combined 88 electoral votes were regarded by his aids as of key importance to his election.

Vows To Balance Books

"If I am elected" Landon said at the outset of his Chicago speech, "the budget is going to be balanced." This, he said, would be accomplished without "depriving any needy of relief, not by refusing necessary aid to our farmers, not

[illegible] Prospect and Mor- [illegible] school districts, the [illegible] and the townships [illegible] Montgomery and Salt [illegible] not yet sent in budgets. [illegible] have submitted [illegible] said.

List of Budgets

The estimated 1936 expenditures [illegible] estimated needs for 1937 [illegible] townships which have already filed budgets with the auditor follow:

Scott, $4,113 in 1936 and $4,116.65 in 1937; Richland, $8,281.67 in 1936 and $7,244.47 in 1937; Big Island, $2,783.61 in 1936 and $3,430 in 1937; Marion, $13,965.99 in 1936 and $14,276 in 1937; Tully, $3,280.21 in 1936 and $1,510 in 1937; Grand, $3,400.21 in 1936 and $3,170 in 1937; Pleasant, $6,953.97 in 1936 and $6,435 in 1937; Grand Prairie, $4,350 in 1936 and $3,150 in 1937; Green Camp, $3,710.05 in 1936 and $3,740 in 1937; Prospect, $6,220 in 1936 and $6,550 in 1937; Bowling Green, $3,755.58 in 1936 and $2,270 in 1937; and Waldo, $5,628.54 in 1936 and $3,225 in 1937.

Of the six villages in the county, only LaRue and Green Camp estimate 1937 needs at a lower figure than the estimated expenditure for 1936. LaRue lists nothing for fire service, street cleaning or sewers, all of which were listed for 1936. Green Camp's budget did not include money needed in 1937 for street repair.

Village Budgets

The estimated expenditures for 1936 and the estimated needs for 1937 listed by the villages are:

Morral $1,052.10 in 1936 and $1,390 in 1937, the increases being in street repairs and fire apparatus; Caledonia, $2,434.76 in 1936 and $2,486.80 in 1937; LaRue $5,794 in 1936 and $5,116 in 1937; Green Camp, $1,824.50 in 1936 and $1,253 in 1937; Waldo, $2,869.65 in 1936 and $2,907.50 in 1937; Prospect, $3,425.19 in 1936 and $5,281.50 in 1937, the increases being asked for fire apparatus, marshall, solicitor, police; and Agosta, $631 in 1936 and $650 in 1937, the increases being $5 for council, $8 for clerk, $3 for the treasurer and $3 for police.

When all the budgets are turned in to the auditor and have been amended and approved by the budget commission, they will be totalled and the resulting figure used for determining the 1937 tax rate for the county, Mr. Mounts explained.

From 6:30 to 7:30 p. m. there will be a social hour and lunch with members of Marion Lodge No. 889, and the chapter acting as hosts and hostesses.

Sunday afternoon at 2:30 the visiting women will be entertained at a showing of "The China Clipper," at the Ohio theater, and in the evening the lodges and friends will join for a dance and entertainment. The music for dancing will be furnished by Blue's orchestra and the Rech twins and company will put on an entertainment.

The district includes lodges of Marion, Bucyrus, Mansfield, Galion, Ashland, Carey and New Riegel.

WIENER ROAST HELD AT GRAND PRAIRIE

Forty-nine members of the Watch Us Grow class of the Grand Prairie Baptist church held a wiener roast last night at the home of Mr. and Mrs. Lawrence Temple of north of Brush Ridge. The class voted to complete repairs of the church furnace and building in a short time and the men of the class volunteered to work at the church today. A committee was appointed to do community canvassing in the interest of the revival meeting which will start Oct. 18. A meeting will be held Oct. 30 with Mr. and Mrs. Ralph Sigler of Wyandot.

COUNTY'S FIRST TRAFFIC SCHOOL OPENS MONDAY

Junior Chamber of Commerce Sponsors Classes To Aid Motorists in Proper Operation of Cars.

Marion's first traffic school will hold its opening class at 8 p. m. Monday in the rooms of the Junior Chamber of Commerce at 131 East Center street with J. M. Kratzer, patrolman in charge of the Marion substation of the state highway patrol, as teacher. The sponsors of the school reported arrangements have been completed for a brief address by Mayor Frederick C. Smith.

Municipal Judge William R. Martin, who promised the Junior Chamber officials he would advise traffic violators in his court to attend the school, will introduce Mr. Kratzer.

The group decided to establish the school, which they believe is the first ever to be established by a Junior Chamber of Commerce in Ohio, at a meeting recently with Police Chief William E. Marks, M. E. Baldwin, deputy registrar of motor vehicles for Marion, and Kratzer. Each of the three men offered their time for two hours every third Monday night. Chief Marks will speak Oct. 19 and Mr. Baldwin Oct. 26.

Joe R. Roby, chairman of the committee in charge of the school, today urged the public to attend, women as well as men. The classes are free to every one, he said.

A relief map has been partly completed for the first meeting by Lloyd Meredith. Measuring approximately eight feet by six, the map will show in miniature some of the familiar hazards of Marion city and county traffic, "Suicide crossing" at routes 95 and 98 five miles east of Marion, Center street, the more prominent railroads and crossings, S-curves and crossroads will be included. The roads will be about three inches wide to accommodate six toy automobiles which will be deliberately crashed.

The course is tentatively divided into three parts with Chief Marks conducting classes in city traffic, Kratzer in rural traffic, and Mr. Baldwin in safety practices and sane driving habits.

Members of the committee are Ted Brownlee, Harry McColly, R. N. Heininger, George Albert, Fred Haberman III and Arthur O'Keefe.

Commercial fox ranches in Alaska contain about 36,000 animals.

RALLY BOOKED FOR CALEDONIA TONIGHT

Mayor Frederick C. Smith and Representative Earl E. Thomas will be the speakers at a Republican meeting tonight at 7:30 in the township hall at Caledonia.

The meeting is being sponsored by the Marion county Republican executive committee.

A delegation of Marion Republicans will attend.

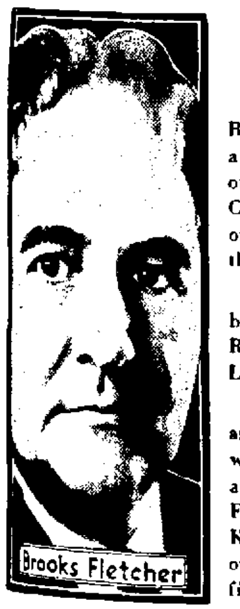
ARE YOU GOING?

—By Edward Carl Wrede—

At an open air meeting in Waldo Monday Night at 7 P. M. Congressman Brooks Fletcher will present some facts that will surprise you on the subject—

"Why Gov. Landon is Opposed to Grant Mouser's Scheme to Add Billions More in New Taxes for the Purpose of Paying People Past Sixty a Pension of Two Hundred Dollars per Month."

You will also hear why Mouser deserted the Republican Party's position on The Townsend Plan.



Brooks Fletcher

Marion
Monday 8:30 P. M.

Then at 8:30 Monday night Brooks Fletcher will present a dramatic program of colored pictures in the Marion, Central Junior High School, on West Center Street near the Palace Theater.

The Marion meeting will be under auspices of the Roosevelt - First - Voters - League.

At both Waldo 7 P. M. and Marion 8:30 P. M. you will hear the Cowboy Trio, and at both meetings Martha Fletcher, assisted by Marie Kimmel Baker, will sing over Electric Voice Amplifiers.

Brooks Fletcher Refuses To Let Them Pass The Hat For Dimes Of Aged and Poor

Congressman Brooks Fletcher Is One Of The First Men In America To Advocate Adequate Old-Age Pensions Based On Common Sense.

Brooks Fletcher refuses to permit his campaign to be financed by Passing the Hat for Collections of Pennies, Nickels and Dimes of The Old People and The Poor.

He refuses to fool the old people by leading them to believe he will get them a pension of $200 per month if they will vote for him.

And that is why Brooks Fletcher is fighting for the dignity and the self-respect of both the Republican and Democratic parties in his exposure of this Townsend-Grant Mouser Vote-Catching Scheme to add billions and billions more in new taxes on a fantastic Pension plan that would bankrupt business and financially wreck America.

Hear Brooks Fletcher at both the Waldo and Marion meeting this Monday night.

Christian Prosperity

A SERMONETTE

By REV STANLEY W WIANT
Pastor the Wesley M E Church

THERE are good reasons why property and power are closely linked with Christian living

First Christian living demands self-control Now self-control has much to do with wealth—while weakness is expensive every way Self-control involves budgeting Self-control must be applied to temper and tongue Lose your temper lose your job Hold your tongue hold your job Giving makes us friends and opens up unexpected opportunities

Second Christian living demands cooperation When husband and wife pull together they can make their finances prosper If parents and children are in harmony they can all have more to enjoy In whole communities cooperation on a Christian basis brings prosperity Feuds lead to poverty World brotherhood which is urged by Christians would raise the standards of living for all peoples including Americans

Third Christian living demands progress Christians have always [illegible] and promoted education Christians are expected to "grow in grace" and thus make themselves more agreeable and helpful to others—a condition bound to be compensated for in the long run. Opportunity is generally granted to those who are prepared. But preparation must be made in advance—on faith.

Fourth, Christian living demands reliability That quality of life is exceedingly valuable in dollars and cents Big department stores are reliable and do far more business than fly by-night promoters The wealthiest men are not bank robbers.

Fifth, Christian living demands aid God is needed to help the Christian and God is interested in seeing the Christian prosper Right is finally backed up by might. When a person goes "forward" in a church he is also going forward to a better life in every way

Families on the upgrade are honest, careful Christian on the downgrade they are neglectful wasteful [illegible] Persons who [illegible] are almost certain to advance [illegible] Even the exceptions like Jesus at the cross are [illegible]

Marion Art and Garden Clubs Present Guest Day Social

A GALA EVENT on the early fall social calendar was the guest party at which the Marion Art club and the Marion Garden club members entertained last evening at the recreation room of the First Presbyterian church

The entertainment which had not been disclosed to the guests was revealed in the cleverly decorated programs which announced the presentation of a novel farce written by Mrs J B Bray a member of the club and presented by a group of the members turned troupers for the evening

Mrs F K Main set the atmosphere for the program in her welcome to the members and guests when she announced the cast had received offers from Hollywood and the troupe carried out the expectations of the audience

The sketch which ran about 45 minutes is a burlesque on the preparation for the judging of a flower and art show by the women of the two clubs entitled A Flower and Art Show by the Ladies Cultural Clubs of Bodeville

The comedy was cleverly drawn the dialogue tending to keep up the humorous pace throughout the production and the cast which entered wholeheartedly into the spirit of the play won fame for themselves in presenting the farce

The cast included Mrs Grant E Mouser Jr as Mrs Fannie Nervous Mrs Roberta Kinsley as Matilda the colored maid Mrs James R Smith as Mrs Alma Horn Mrs Carl Leffler as Mrs Etta Witty Mrs T C Sonnanstine as Mrs Sophie Daffy Mrs John K Hartman as Mrs Emma Amspuin Mrs Clifford M Howser as Mrs Bertha Fussy and Mrs Karl W Schell as Mrs Flossie Gusher all members of the committee Mrs E G Siefert as Mrs Topnotch president of the Garden club and chairman of the exhibit William Lanzer a neighbor boy Mrs Frank M Knapp as Mr Highpressure a salesman and Miss Rosanna Crow Mr Meek the judge of the show

The play was directed by Miss Mabel Wheatley and Miss Mary Olive O'Connell It is the second to be written by Mrs. Bray who also has written a number of short stories A play written by her was presented on the fine arts day program of the Marion County Federation of Women's clubs two years ago

Preceding the sketch an instrumental trio composed of Miss Wanda McMahan pianist and Herman Watson and Harold Frisch violinists played Love and Flowers by Aldrich and Dream of the Shepherdess Labitzky

A trellis and garden at one end of the hall provided an attractive setting for a long table at which Miss Ann Merchant president of the Art club and Mrs Bray presided for the serving of refreshments following the play Tall tapers in white pink and dubonnet shades lighted the tables and a low centerpiece of flowers completed the decorative note

Assisting during the social hour were Mrs C I Merkel Mrs George Lippincott Mrs J W Jolley Mrs J C Ackerman Mrs Robert White Mrs Wilbur H Symes Mrs Jay H Walsh Mrs Frank Foster Mrs Morgan Burke Miss Geraldine Hurd Miss Dora Hardy and Miss Dorothy Oliphant Mrs Ackerman was the general chairman in charge of arrangements for the affair which was attended by about 200 members and guests

Harding Defeats Galion Under Lights; Reserves Lose

Varsity Scores 19-0 Win in City's First Night Game

Crowd of 3,000 Looks On as Players Slosh Over Muddy Field; Williams Scores Twice.

BY CHARLES HOSTETTER

HARDING HIGH school's varsity team inaugurated its floodlight season in fitting fashion last night by scoring a 19 to 0 victory over Galion High gridders on the rain-soaked Harding gridiron. The contest was a North Central Ohio league game and gave the Presidents a record of one victory and one defeat in conference competition.

A crowd estimated at near 3,000 braved adverse weather conditions to witness the game played under unpleasant circumstances. Pools of water stood on the field as the result of a miniature cloudburst several hours before playing time. The Harding Reserve-Richwood High game played as a preliminary churned the field into a mire which prevented fast line attacks and curtailed aerial attempts.

Marion's North Central Ohio league hopes were renewed by the victory and fans today eyed with interest the probable result of two league games to be played this afternoon. Mansfield, top-heavy favorite to repeat as N. C. O. champions and victor over Harding last week 53 to 0, treks to Mt. Vernon while Ashland entertains Shelby. Ashland last week defeated Galion 27 to 0 while Mt. Vernon was wining over Shelby 20 to 0.

Harding High school's band led a parade through uptown streets and was on hand during the game. The band wisely enough remained on the sidelines rather than perform the half time formations on the muddy field. Although the rain ceased during the game the gridiron had been worked into the consistency of soft butter. Numbers on the mud-covered suits of the players were almost indiscernible after the first half dozen plays.

Caprino First To Score

Marion's first touchdown came in the opening period when Sharrock recovered a Galion fumble on the visitors 10-yard line. The elusive halfback Williams went over for the score but was stopped for the extra point. It was the same scrappy Johnny Williams who was responsible for Harding's second touchdown. He intercepted a short Galion pass and evaded the opposition to trek 63 yards for the touchdown. He helped the Presidents to a 13 to 0 lead as he smashed through the Galion forward wall for the point after touchdown.

A partially blocked Galion punt which was intended to keep Marion out of the danger zone in the fourth quarter fell short of its intended mark. The ball struck near the Galion 16-yard line, was juggled by several players before Williamson ran to within a yard of the goal. Johnny Williams plunged for Marion's final touchdown. The invaders only serious threat came in the opening and final periods.

Late in the third quarter Galion recovered Harding's fumble on the latter's 47-yard line and Kump, visiting fullback, clipped off a 17-yard run. Gardner, left halfback, went through for a gain of 14 yards to Harding's 16-yard line. The Presidents swarmed over the Galion ball luggers and held for downs to turn back the impending danger.

First Quarter

Young booted the opening kickoff which was received and returned 15 yards to midfield. Capt. Sharrock broke through to recover a fumble on the first play to give Harding the oval on the opposing 40-yard line. Scott and Williams picked up a first down and Caprino added three yards before Scott was tossed for a 9-yard loss. Williams punted on the fourth down to the 10-yard line where Schreck juggled the ball in receiving and Sharrock recovered to place Harding on the 10-yard stripe with a first down. Scott and Caprino made six yards and Williams lugged the touchdown from the four-yard line. Caprino's line smash for the extra point was stopped giving Marion an early 6 to 0 lead.

Castner received Galion's kickoff and returned 15 yards to the Galion 32-yard stripe. Two line plays were stopped and Williams punted to the Galion 45. Shaw and Kump made Galion's initial first down but after Stephenson, Harding tackle, tossed the ball carrier for a five yard loss and a recovered fumble behind the line lost another five yards, Shaw punted to Marion's 17-yard marker. Caprino returned for five yards as the quarter ended.

Second Quarter

With Caprino, Decker and Scott hitting the line for short gains Marion added two first downs before punting to the Galion 2-yard line. Shaw's return kick was received by Scott. Caprino whirled through center for 12 yards and a first down but three line plays were stopped and Williams' pass was incomplete, giving the invaders the oval on the Galion 28-yard line. Shaw's punt was blocked and recovered on the Galion 20-yard line by a pack of Presidents who swarmed through the opposing line. Harding was stopped on downs and Galion ran three scrimmage plays for little gain as the half ended.

Third Quarter

Galion took the field at half time with but 10 men and delayed momentarily in receiving Harding's kickoff. Stout kicked to Galion's 35-yard line. Kump made two yards on a line smash. Williams, Harding halfback, intercepted a short pass over the line and sloshed through the mud untouched for Marion's second touchdown. He added the extra point through the line to give Marion a 13-0 lead.

Kump received Stout's kick for Harding returning 10 yards to his own 35-yard marker. Galion added two first downs on scrimmage plays before Marion recovered a fumble on its own 45-yard stripe. Williams' quick kick caught the invaders off guard and the ball rolled back to Galion's 10-yard line. The Galion men gained five yards at scrimmage but lost it and another five on two offside penalties. Shaw kicked for Galion, the oval rolling out on the Harding 48-yard line.

On the second play Galion recovered a fumble on the Harding 47-yard stripe and Kump broke away for 17 yards on the first scrimmage play. Gardner raced around the right end for another first down on Marion's 16-yard line and two line plays were stopped for no gain as the third period ended.

Fourth Quarter

As the invaders threatened from the 16-yard stripe the Presidents line held for downs. On five plays Harding made four first downs with Williams making runs of 20 and 13 yards and Caprino picking up 15 and 7 yards. Scott slipped in the mud and lost 7 yards to make it second down on the Galion 33-yard line. Caprino picked up the loss and on the next play added 12 yards and a first down on the Galion eight-yard marker.

Decker and Caprino failed to gain at the line and Scott was tossed for 11-yard loss. Williams' pass was incomplete and Galion took the ball on its own 20-yard line. Ruhlman broke through to toss the Galion ball carrier for a three-yard loss. The invaders kicked on the first down but Hudson slipped through the line to block the punt and recover for Harding on the 1-yard line.

A fumble behind Harding's line lost four yards and Caprino was stopped for a small gain on two scrimmage plays which took the ball within a scant two feet of the goal line. Shaw's punt for Galion was partially blocked by Hudson and it careened through the muddy field to the 15-yard marker where Williamson scooped up the oval and waded through the opposing tacklers to the one-yard line. Caprino went over center on the first try for Marion's third touchdown but Castner's plunge for the extra point failed. Taylor kicked off for Harding to the Galion 30-yard line. A scrimmage play advanced the ball three yards as the game ended.

LOUIS CONTINUES COMEBACK DRIVE BY FLOORING BRESCIA

Knocks Out "Bull of the Pampas" in Third Round, Only 5,200 in Crowd.

By The Associated Press

NEW YORK, Oct. 10—Joe Louis today motioned for his pin boy, Promoter Mike Jacobs, to set 'em up in another alley.

The Brown Bomber scored the third straight strike of his comeback campaign at the inaugural show of Promoter Jacobs' Hippodrome indoor season last night by knocking out Jorge Brescia, giant Argentine, in the third round of a scheduled 10-rounder.

Brescia rolled over on his blood spattered face, a badly beaten victim, after two minutes and 12 seconds of both tame and furious fighting.

Louis was far too ring wise for the young "Bull of the Pampas" and he hit too hard. Brescia, sent into fight the ring's most fearsome puncher after only eight unimportant battles, impressed the crowd of 5,200 paid spectators with his gameness under fire but that was all.

Apparently frightened by Louis' reputation the young Bull opened cautiously, forcing the Bomber to do all the leading. He didn't throw a single punch for the first minute of battling as Louis backed him into the ropes and hammered him with rights and left hooks. Brescia nailed Louis with a long right to the eye that made the Bomber blink but it was his best and only good punch of the fight.

Only $18,032 was paid in at the gate last night.

WINTERSTELLER ACE BOWLER IN LEAGUES

Arthur Wintersteller, manager of the Marion Recreation Center, leads all of the city's bowlers in league averages compiled for all games including those of last week. Wintersteller heads the city's big ten list by a narrow margin over Sauer, also a member of the City league.

The leader has played in 9 games and averaged 186 while Sauer, playing in the same number of games, averaged 181. Other pin topplers who are included among the ten highest scorers together with the number of games played and the averages are Boyd 12 180, Freiman 6 180, Axthelm 12 179, Yazel 12 178, Schuler 12 178, Thomas 9 178, all of the All-Star league; Chilbaut of the Recreation league 9 177 and Mounts of the City league 6 177.

CRESTLINE SCORES WIN AT NORWALK

Special to The Star

CRESTLINE, O., Oct. 10—The blue and white warriors of Crestline High school scored their fourth victory of the season when they defeated the St. Paul Norwalk Friday afternoon on the Norwalk field 18 to 0.

The entire game with the exception of a few plays in the first quarter was played in Norwalk territory. Crestline's first score came in the second quarter when Carter, halfback, ran it over from the two-yard line. The second and third scores came in the final quarter with Carter also carrying the ball for both scores. The try for extra points failed each time.

This was Crestline's fourth win. The next game will be played Friday afternoon when the Upper Sandusky High school team will come here for a league game.

ASHLEY WINS FROM SCHOOL FOR DEAF

Special to The Star

COLUMBUS, Oct. 10—Ashley High school waded to a 14 to 0 victory over the Ohio School for the Deaf in a floodlight game here last night. The victory, Ashley's fourth in as many games this season, was won in the final period. A slippery and muddy field hindered both teams.

Ashley's scores came in the final period with the first two points registered on a safety. A blocked kick set the stage for the first touchdown while the second was made after an intercepted lateral pass. The line-ups follow:

FOREST AND LARUE PLAY SCORELESS TIE

Heavy Rain Hampers Both Teams Traditional Rivals, During Game.

Special to The Star

LARUE, Oct. 10—Forest and LaRue scholastic gridders battled to a scoreless tie in their annual meeting of traditional rivalry here yesterday afternoon. Heavy rain during the entire game hampered the attacks of both elevens.

In the opening period LaRue marched to within the Forest five-yard line and in the third quarter was again within striking distance of a touchdown but both times the heavier Forest line suppressed the attacks.

The lineups follow:

LEAGUE MEETING SET

Members of the men's All Star bowling loop will hold a brief business session Tuesday evening at 7:30 o'clock just before the league bowling gets underway. All officers and captains are requested to be present.

PROBE GANG WAR

Echoes of the gang wars of prohibition days were aired in Joliet, Ill., when two youthful gunmen riddled Lawrence "Butch" Crowley (above) with bullets as he stepped from his car in front of his home. Crowley, who became Joliet's richest bootlegger—and was reputed to have been so successful that he had gold door knobs on his home—was thought by police to have been muscling in on the slot machine racket, a theory which Crowley denied. His condition was described as critical.

JUNIOR PRESIDENTS OVERCOME, 19-6, BY RICHWOOD SQUAD

Frazier Scores Marion's Only Touchdown on Recovered Fumble in First Period.

On a rain-soaked field which hampered both teams Richwood High school last night defeated the Harding High reserves 19 to 6 in the first game under the new floodlights of Harding stadium. The entire game was played under artificial lights. Players slipped and sloshed on the rain-soaked gridiron and numerous fumbles were attributed to the mud-covered oval which required acute finger tip control.

The game was the third for the Harding reserves and was played as a preliminary contest to the Marion-Galion North Central Ohio league conflict. The reserves previously won and lost to the Mansfield junior varsity, winning on the foreign field 13 to 7 and dropping the game on the home lot 7 to 6.

Marion scored late in the first period after recovering a Richwood fumble. Frazier, left half back, clipped off the 17-yard scoring run. The Junior Presidents held the margin until near half time when another recovered fumble gave Richwood its first serious scoring threat. Irwin scored by plunging over from the five-yard line and the visitors stepped into the lead with another touchdown in the third period.

Holt scored for Richwood on a 29-yard run starting through the center of the line and spinning away from would-be tacklers. The final score came in the last minute of play after Harding's team launched a futile aerial attack to overtake the Richwood lead.

One pass netted a 15-yard gain but the following two were incomplete and Dickason, Richwood fullback, reached high into the air to snag the third Harding aerial attempt. He eluded the opposing tacklers and completed a 70-yard run for the final touchdown. Gardner added the point on a line plunge to give Richwood a 19 to 6 advantage.

First Quarter

McConnell kicked off for Harding to open the game. Dickason received near the goal and returned to the Richwood eight-yard line. Richwood kicked to midfield and on the following play Harding fumbled but recovered to lose 1-yard. Jennings' lateral to Roberts made 15 yards and Zeisler skirted left end for 10 yards giving the Harding reserves a first down on the Richwood 30-yard line. Zeisler broke away to the 15-yard strip but the junior Presidents lost the ball on downs within 12 yards of the Richwood goal.

Richwood picked up a first down but Gardner's fumble when he dropped back to punt was recovered on the Richwood 17-yard marker by Harding. Frazier went around left end on the first play for the touchdown but Zeisler was stopped on the try for extra point as the first period ended.

Second Quarter

Harding's kickoff was received on Richwood's 35-yard line and an exchange of punts gave Richwood the ball on its own 20-yard marker. Dirst picked up five yards at the right side of the line and an offside penalty on Harding gave the visitors a first down. Irwin went 17 yards around the left side for another first down but a bad lateral pass, Holt to Dickason, lost 10 yards and Holt punted out on the Harding 10-yard line.

On the first play Harding fumbled and Dickason recovered on the junior presidents 5-yard marker. Irwin broke through the left side of the line for the touchdown but his plunge for the extra point failed and the score stood 6 to 6. Harding kicked to the visitors who received on their own 27-yard line and returned seven yards in three scrimmage plays as the half ended.

Third Quarter

Harding kicked to the Richwood 20-yard line and Holt returned to the 32. Irwin picked up a first down and on the next play Harding was penalized half the distance to the goal for slugging, giving Richwood the oval on the Presidents 29-yard marker. Holt waded through the center of the line for a 29-yard run and touchdown. His try for the extra point failed.

Dirst kicked off for Richwood and Kemmerly returned eight yards to Harding's 35-yard line. A Harding fumble was recovered by Disbennett. Irwin and Dirst made it first down on the Harding 25-yard line with two scrimmage gains. Richwood lost the ball on downs at the 17-yard line and Roberts punted to midfield after two Harding plays failed to gain. Richwood ran one line play as the third period ended.

Fourth Quarter

Richwood took an offside penalty and on the fourth down punted to Harding's 13-yard line. Zeisler broke away for 11 yards but line plays were stopped for little gain and Roberts punted to the Richwood 30-yard line. A return punt was received by Roberts who advanced the ball 1 yard to midfield. With but a minute to play Harding began an aerial attack.

A pass, Frazier to Roberts, made it first down on the Richwood 40-yard line. Two passes were incomplete and the next was intercepted by Dickason who ran 70 yards for a touchdown. Gardner went through center for the extra point giving Richwood a 19 to 6 advantage. Richwood kicked off to Harding and a line play netted two yards as the final gun sounded.

STOCK UPTURN SIXTH IN ROW

Brief Profit-Taking Slump Followed by Another Major Rally.

By The Associated Press

NEW YORK, Oct. 10—A late rally in today's stock market wiped out many earlier profit taking recessions and pushed a wide assortment of issues into new high ground for the past five years with gains of fractions to two points or more.

It was the sixth consecutive session in which the list marked up another peak for the recovery. Transfers were around 900,000 shares.

There was plenty of stimulating economic news, with dividend and earnings forecasts providing substantial support for selected equities.

Further confusion in foreign affairs, including the Russian controversy with the powers over interference in the Spanish civil war and political disturbances in France, tended to keep some traders on the fence. The forthcoming Monday holiday also was a restraining influence.

Among the better share performers were Delaware & Hudson, Great Northern, Northern Pacific, Santa Fe, Pennsylvania, Western Union, National Biscuit, Standard Brands, American Shipbuilding, U. S. Industrial Alcohol, American Commercial Alcohol, Warner Bros., Colgate Palmolive, Standard Oil of New Jersey, Alaska Juneau, Dome, General Realty, Baldwin Locomotive, Cleveland Graphite, Yellow Truck, Safeway Stories, Radio, Montgomery Ward, Sears Roebuck, General Motors, Chrysler, Douglas Aircraft, Allied Chemical, U. S. Rubber, Goodrich and Johns-Manville.

Bonds and commodities were a trifle mixed. Foreign currencies were quiet in terms of the dollar.

Amusement issues were aided by indications improved public spending power is being reflected in a sharp upturn in moving picture theater attendance with the consequent betterment of the major producing companies, financial positions.

Helpful to the merchandising group was the statement of the federal reserve board showing department store sales for the first nine months were ahead of the 1935 period by 11 per cent.

Followers of the oils were interested in the proposal of Chairman Ernest Thompson of the Texas railroad commission that crude production be permitted to increase sufficiently to at least equal consumption. The argument for this step was that the safety margin represented by petroleum stored above ground was less than 100 days' supply.

LEGION BURIAL GIVEN VON BLON

Impressive Church and Military Services Held at Upper Sandusky

The American Legion paid its final tribute to one of its best known and most highly regarded members the late Philip Von Blon of Pelham Manor N Y who was managing editor of the American Legion Monthly from the time of the publication's inception at the funeral rites conducted this afternoon in his native Upper Sandusky.

National and state Legion officers and heads of the Monthly joined with Legionnaires from Upper Sandusky Marion Franklin Post No 1 in Columbus of which Sam Cobb, Ohio department commander is a member Lakeside Unit of Cleveland and other Ohio posts in according full military honors to the man regarded as the country's foremost authority on matters pertaining to the Legion and veterans affairs.

The church service conducted at 2 p m at the home of the mother Mrs Rachel Von Blon by Rev George W Good of the Upper Sandusky Evangelical and Reformed church, was followed by impressive military rites at the grave in Oak Hill cemetery. An honor guard of Legion men stood at the casket during the service at the home. The downstairs rooms were reserved for Legionnaires and friends.

R. L. Caldwell commander of Wyandot Post No 225 of Upper Sandusky was in charge of the services at the grave. Wyandot post members served as pallbearers in the firing squad and color guard and as buglers.

Rev A. F Gran of the Harpster M E church chaplain of the post officiated at the grave. Pallbearers were Ray Snyder Paul Stutz Frank McEldowney Walter Vogel Reinhold Kinley and Fred Jones. In the firing squad commanded by Charles E Schwabel were Edward Gamber Ora Carpenter Harley James Clifford Turner Homer Seller C M Beaston Martin Lawrence and Thomas Daughmer. Scott Deiner Joseph Smith Arthur Bowen and Clarence Suber formed the color guard. Taps were sounded by Lowell Railing and George Assenheimer.

A brief Masonic service was conducted by the Upper Sandusky Blue lodge.

John T Winterich of New York City editor of the Monthly arrived in Marion this morning and after a brief visit at the home of Mrs Von Blon's parents Mr and Mrs Charles W Kramer of Vernon Heights boulevard went to Upper Sandusky where he was joined by Frank Samuel of Indianapolis national Legion adjutant and James F Barton of Indianapolis general manager of the Monthly.

Representatives of Bird McGinnis Post No 162 of Marion included women of the auxiliary with which Mrs Von Blon is associated.

NEW DEAL FLAYED AT BUCYRUS MEET

Two Republican Speakers Strike at "Meddling" and Ask Voters' Education

BUCYRUS Oct 10—Two talks and the appointment of 12 new committee members for the Landon Crawford county sunflower frolic at Fox club Wednesday Oct 21 featured the Young Republican meeting Thursday evening in the party headquarters.

Virginia Luke of Bucyrus quoting released findings of a Columbus research committee said the dollar has meant less and less comfort for the average person "due to New Deal meddlings." She also said that there are just as many employed today as there were three years ago and that those on relief have had their morale broken.

D G W Grant candidate for probate judge made appeal for the education of voters stating that Crawford county is not as Democratic as it is reputed to be.

Carrie Pitlikofer of Sulphur Springs was replaced as chairman of the refreshments committee by Elsie Bittruff from the same town due to the death of the former's mother. Others added to this committee were Isabel Monroe, Marjorie Anderson and Charles Coyle all from Galion; Harold Dornbirer of Chatfield and Robert Shaffer of New Washington.

Charles Lind of Galion and Mildred Rogers of Bucyrus were added to the entertainment committee. The rest include: Hall and decorations Betty Luke and H S Siegel of Bucyrus; reception Richard Horn of Galion; tickets Virginia Luke of Bucyrus.

According to present arrangements there will be two orchestras for the frolic. One probably from Shelby will play for the round and another one will play for the square dances.

Ohio Motorists' Tax Bill Computed At $85,859,988

Share Received by Counties in This District in Distribution Also Reported.

Marion county and its subdivisions received $224,754.01 in gasoline and automobile license taxes last year a report from the Petroleum Industry committee of Ohio with headquarters in Youngstown shows.

This figure is part of a total of $27,510,223.19 paid out to the various counties municipalities and townships from the gasoline tax and automobile license plate sales of last year. In addition these taxes raised enough money in Ohio last year for the state highway department to make the tax return on motorists from these sources $63,021,155.66. To that the committee adds the $22,836,829.15 in federal taxes on gasoline, lubricating oil, motor cars and trucks and motor parts and accessories making a grand total of $85,859,988.01 assessed against the state's owners of 1,539,531 motor cars the report shows.

It is not possible to determine exactly how much the owners of Marion county's 13,841 motor cars, 9,659 of which are in the city, paid toward that total last year. The report indicates only the amount of revenue received by the county and its subdivisions from the state taxes on gasoline and auto license plates. However the $27,510,223.19 apportioned among the counties and their subdivisions does not take into account the $21,135,057.32 received by the state from the same sources nor the $22,836,829.15 in federal taxes on motorists.

In the distribution of gasoline taxes last year Marion county got $53,700, the city and villages $35,519 and the townships $24,500. In the apportionment of automobile license plate money the county received $82,799.01 and the city and villages $71,719.

The report also shows there are 99 miles of highways in Marion county of which 703 are classified as improved and 96 as unimproved.

Information given for other counties in the Marion district follows:

Crawford county—Received total of $19[illegible],634.34 from gasoline and automobile license plate taxes last year. County has a motor car population of 11,660 including 6,19[illegible] owned in cities. County has 845 miles of highways of which 796 are improved and 49 unimproved.

Delaware county—Received a total of $168,190.07 from gasoline and automobile license plate taxes, has a motor car population of 8,557 including 3,295 owned in cities and has 555 miles of highways of which 95 are improved and 43 unimproved.

Hardin county—Received $160,147.45 from gasoline and automobile license plate taxes, has a motor car population of 8,95[illegible] including 4,239 owned in cities and has 901 miles of highways of which 626 are improved and 275 unimproved.

Morrow county—Received $132,971.51 from gasoline and automobile license taxes, has a motor car population of 5,434 including 1,13[illegible] owned in cities and has 91 miles of highways of which 595 are improved and 349 unimproved.

Union county—Received $112,964.1[illegible] from gasoline and automobile license taxes, has a motor car population of 6,6[illegible]6 including 2,285 owned in cities and has 8[illegible]7 miles of highways of which 784 are improved and 35 unimproved.

Wyandot county—Received $160,541.4[illegible] from gasoline and automobile license taxes, has a motor car population of 6,5[illegible]8 including 3,129 owned in cities and has 812 miles of highways of which 52 are improved and 60 unimproved.

The committee predicts that due to improved business conditions the tax load on Ohio motorists will increase from $85,859,988 last year to approximately $95,000,000 this year of which at least $40,000,000 will go to federal and state governmental functions which have no relation to highway usage.

The report lists Ohio's earth road mileage at 21,303 part of a total of 55,706 miles of highways in the state.

TAFT SAYS NEW DEAL IS "RATTLING SABER"

Strikes at War Games in Pacific and Denounces Social Security

By The Associated Press

CLEVELAND O Oct 10 — An assertion that the administration has been guilty of "saber rattling" in its foreign policy with Japan was made in an address last night by Charles P Taft of Cincinnati campaign adviser for Gov Alfred M Landon of Kansas the Republican party presidential candidate

Taft particularly attacked war games held in the Pacific ocean and devoted much of his address to criticism of the social security act.

"The working people will pay for social security either in reduced wages or in high prices of the things they buy" Taft told a young voters forum sponsored by the adult education committee of the Y M C A

T. R.'S SON FLAYS NEW DEAL 'SPOILS'

Declares President Does Not Believe In American Form of Government

By The Associated Press

SANDUSKY O Oct 10—Col Theodore Roosevelt Jr, left before Sandusky Republicans today an assertion that President Roosevelt has reversed civil service to create hundreds of thousands of new positions which he had congress specifically provide would not be filled by civil service employes

The critic of the Roosevelt administration said in a campaign address last night Andrew Jackson believed in the American form of government and our Constitution The President does not and has done his best to upset both

Andrew Jackson believed in the spoils system and practiced it Even at that he was a piker as compared with President Roosevelt

Col Roosevelt son of President Theodore Roosevelt declared We have been struggling for years to free our government of corruption incompetence and extravagance In the past men of high ideals regardless of political party united for this battle

ROOSEVELT REPLIES TO DEFICIT CRITICS

Continued from Page One

fitting by increased general trade he said The figures prove it, and our growing consumption and better farm prices prove it

After his speech the President returned to his train through streets crowded with spectators and conferred with state Farmer-Labor and Democratic leaders over the recent move to unite the two groups behind him in the November election by withdrawal of the Democratic candidates for senator and governor

The President also saw some labor and farm organization leaders

The President injected into his speech in St Paul his first public reference to the recent agreement between the United States Great Britain and France to stabilize currencies

More Stable Exchange

Within the last two weeks he said splendid progress has been made in giving a greater stability to foreign exchange Within that same time there have been lifted many quotas and embargoes including those on important American agricultural export products

Increasing restoration of trade of industry and of employment he added serve more than a mere economic end

For three years we have had faith that it would turn us and other nations away from the paths of economic strife which lead to war and toward economic cooperation which leads to international peace

Peace, he said could not be attained merely by getting sentimental about it.

Peace depends upon the acceptance of the principle and practice of the good neighbor, he added. Peace makes money Peace saves money for everybody A prosperous world has no permanent room in it for dictatorship or for war

The President pledged his administration to continued support for the cooperative farming idea and said the triple A had as its foundation and its essence the cooperative idea

Administrated locally by community committees selected by the farmers themselves he said it is a picture of economic democracy in action—and as you know I believe in action

NEW PEACE SCHEME PROPOSED TO A.F. OF L.

Quick Decision Expected on Whether To Permit Rebels To Attend Convention

By The Associated Press

WASHINGTON Oct 10—Partisans on both sides of organized labor's bitter family quarrel heard with interest today that there may be a quick decision on the final formal peace proposal to be presented to the executive council of the American Federation of Labor

With President William Green of the federation en route to New York City to attend a banquet the labor front settled down to watch waiting over the week end pending renewal of the council's deliberations Monday

The peace suggestion was outlined in a resolution of the United Hatters Cap and Millinery Workers in which a strong faction favoring the committee for industrial organization exists

The resolution suggested that 10 unions affiliated with the C I O and recently suspended from the A F of L on charges of fomenting insurrection be permitted to send representatives to take part in the federation's national convention set for Tampa Fla on Nov 16 It is this convention described in the resolution as labor's highest authority that must decide the ultimate fate of the C I O unions and probably the future of the industrial unionism movement within the A F of L.

CITY'S BUDGET ASKS INCREASE FOR 1937

(Continued from Page One)

restored to jobs on Sept 10 following furloughs will be held up until 1937 when the first proceeds of the special salary levy become available At present the men restored to jobs are borrowing money under a gentleman's agreement with the city that they will receive their pay next year for the period of Sept 10 to Jan 1 Consequently the pay for this part of 1936 must be added to the estimated requirements for 1937 officials pointed out

Another big increase appears in the fire hydrant and street lighting accounts The finance committee seeks $34 200 for street lighting in 1937 as compared with the $17 100 being paid this year and $24 846 is sought for fire hydrant rentals instead of the $12 423 listed for this year Officials said the utility bills have been planned on a 50 per cent basis for this year although these payments do not mean the companies are accepting them in full payment The city is obligated they said to meet the bills in full

New Item In Budget

A new item this year is a $8 500 request for charity cases at the City hospital These charity expenses have been absorbed in hospital deficits in the past but officials feel they should appear in the budget Another item is $1 608 67 for the payment of the salary of Chief Marks during the period he was off duty during an ouster fight which Marks won

A comparison of the budget requests of major departments with the 1936 figures as determined partially by actual experience and partially by estimates follows

Municipal court—$8 896 sought for personal service as compared with $4 770 04 set up for this year

Police department — $35 400 sought for personal service as compared with $21 377 11 for this year $2 220 sought for other expenses in the department as compared with $1 228 18 this year

Fire department—$65 220 asked for personal service as compared with $43 403 95 this year and for other expenses the figure is $3 125 as compared with $1 903

Board of health—$4 200 sought for personal service as compared with $2 092 and $825 sought for other expenses in place of $441

Service department administration—$2 000 instead of $1 960 asked for personal service and $412 50 instead of $67 50 sought for other expenses (includes automobile for service director)

Garbage removal and disposal—$19 320 wanted for personal service instead of $19 177 and for other purposes $3 300 instead of $2 823

Sewers and drains—$2 080 sought for personal service instead of $236 and for other expenses $3 000 is asked in place of $388

Sewage treatment works—$7 360 in personal service and $3 160 in other expenses sought an increase of about $200

City hospital—$33 960 sought in place of $30 542 01 for personal service and for other purposes $15 340 asked in place of $15 362

GOV. LANDON DEMANDS BALANCED BUDGET

Continued from Page One

ciples of the Democratic party

We are opposed by the most powerful propaganda machine ever assembled on American soil the candidate continued Voluntary contributions do not pay for its operation It is financed in a large part out of the public treasury That means our money is paying for it

This machine is manned by swamping the country with taxes

The budget is going to be balanced by cutting our waste and extravagance by putting an end to the use of public funds for political purposes by restoring hard working painstaking common sense administration he said

Attacking the new deal's fiscal policies Landon declared the federal government has become a vast sieve through which taxpayers money is being poured in constantly increasing volume

Never in the history of government has there been such profligate spending he said Any one at all familiar with what has been going on could almost count on the fingers of one hand foolish experiments the government could cut out and save at least a billion dollars any time it wanted to

Says Figures Not Given

What can ultimately be accomplished in the way of reducing it is impossible to determine since detailed figures are not available and future commitments are unrevealed

One of the most enthusiastic audiences Chicago has seen in years crowded the huge Chicago stadium to hear Gov Landon unleash a spirited attack against the Roosevelt administration

Gov Landon struck body blows at President Roosevelt when he lagued the new deal executive with quotations from his 1932 speech at Cleveland wherein the President promised to balance the budget proclaimed that taxes are paid in the sweat of every man who labors and prophesied — any spendthrift nation which throws discretion to the winds is on the road to bankruptcy At the conclusion of every quotation he paused to remark

Those words are not mine They were spoken by candidate Roosevelt at Pittsburgh four years ago

Cites New Taxes

Gov Landon struck home again when he recalled that while President Roosevelt and his aids promised that no more taxes would be imposed a total of 14 bills increasing the tax burden have been jammed through congress

Instead of living up to the promises he made at Pittsburgh President Roosevelt increased government spending from five billion dollars in 1932 to nine billion dollars in 1936 and boosted the gross federal debt from twenty one billion dollars to thirty four billion dollars the governor said

Gov Landon called the President's promises to balance the budget political hush-darlings He named five instances in which the President had promised to balance the budget the last one being at Pittsburgh two weeks ago which "as usual was accompanied by the promise that no more taxes would be necessary

Ridicules Hopes

In other words as usual" the governor continued the President expressed the hope that sometime somehow revenues will overtake expenditures The way expenditures are running today Jesse Owens himself could not overtake them

At the conclusion of his address Gov Landon said that the American people know that keeping America's financial house in order is more than a game but he added that if the Roosevelt administration desired a baseball analogy it would be easy to give

If is written clear across this country " he said Twenty five billion dollars spent Thirteen billion dollars added to the public debt Eleven million unemployed left on base"

Gov Landon charged that the Roosevelt administration's unbridled spending policy had been sold to the President by a British economist who while he had no followers in his own government found ardent followers in this administration The British economist recommended that the government spend $400 000 000 a month to prime the pump The new deal went this advice one better and decided that $600 000 000 a month thrown around at random would do even better

So we started spending declared Gov Landon not for the multitude of things we really needed but for every conceivable thing The lid was off It is still off We have been spending at the rate of $600 000 000 a month and more ever since

Adherence to this policy said the Governor was like advice to more than 800 000 government employes to waste government resources and the result has been that in slightly less than the three years the federal government has spent more than $25 000 000 000 or more than all the Presidents of the United States from George Washington to Woodrow Wilson spent in 124 years

And what excuse does the President give for spending more than all the Presidents from Washington to Wilson? Gov Landon asked for ignoring his promises made at Pittsburgh four years ago —or perhaps we should say twenty five billion dollars ago?

Speaking last week at Pittsburgh he said We had to balance the budget of the American people before we could balance the budget of the national government And then added That makes common sense doesn't it? This is a mighty melodious phrase but with 11 000 000 unemployed with almost 20 000 000 people on the relief rolls with the banks stuffed with government bonds with the government spending double its income—this does not make common sense

For the first time in history Gov Landon said the United States government had found it necessary to keep two sets of treasury books— the kind of book keeping we find when countries are faced with inflation or bankruptcy —when governments can stay in power only by deceiving the public No one he said unless he is in the confidence of those who juggle the figures can determine accurately what is going on

Taft Greets Landon

Upon his arrival at Cincinnati Landon was greeted by Charles P Taft an adviser who presented his family to the governor In the concourse of the $40 000 000 Union terminal Landon paused to say a few words over the radio after an introduction by Mayor Russell Wilson

At the hotel breakfast Landon addressed a crowd of party workers that overflowed a 2 000 seating capacity At the head table he was flanked by Ohio Republican leaders including John W Bricker candidate for governor Myers Y Cooper former governor and Rep John B Hollister of Cincinnati

sertion that the Townsend pension plan is impractical because of the heavy tax that would have to be levied to support it. Mouser asserted He talks about the taxpayers yet he voted for legislation that cost the taxpayers billions of dollars

Mouser told of having started a fight against nepotism or the practice of congressmen putting members of their families on the federal payroll as a means of increasing their own income and declared that without any reflection on Mrs Fletcher I want to say that she drew $7 408 from the federal government in salaries until I introduced my bill to banish nepotism

Renews Attack

Renewing his attack on alleged misuse of franked mail in connection with campaign literature Mr Mouser said I have charged that Mr Fletcher has misused the frank in this campaign He says it was a mistake Yet I contend he has sent 30 000 letters in this campaign without putting any stamps on them—the government is paying $1 00 of his campaign expenses and the taxpayers indirectly are footing the bill

He charged that on last Jan 1 Fletcher sent an unstamped letter to Marion to pay his lodge dues

Mouser also asserted Fletcher never gave a speech in the house of representatives in any of the sessions he served in congress adding that regardless of what he (Fletcher) says I never missed an important roll call while I was serving in congress

He spoke briefly in support of Gov Landon the Republican nominee for president praising him as a self made man who is progressive and liberal It's a choice in this campaign between the fundamental principles of our government or an approach to the point of dictatorship he asserted
